

EDGE® SAND SIDE DISCHARGE BUCKET

The EDGE sand side discharge buckets are a “must have” for many farming applications.

OPERATIONAL BASICS

The EDGE sand side discharge bucket provides the power and precision you need to quickly lay sand and other materials. This attachment features a baffle brace to keep weight off the belt and right or left discharge. The EDGE sand side discharge bucket is available in two sizes: 60” (1524 mm) and 72” (1829 mm). This attachment comes complete with hoses and couplers.
